Remarks

Horse property with recorded well agreement, underground utilities and in custom home area. It doesn't matter if you have a horse training program or a family that wants their own family compound and arena, you'll love the seclusion and the availability to ride out on state land to leg up your horses on good footing and no gates to open. This area is in a secluded location where the density is low for privacy, yet close to town amenities and major hwy arteries to Wickenburg, California, Prescott and Las Vegas. Building assistance available.
